

25 March 2020

**COVID-19 Update #4**

**(Please read in conjunction with Update #5)**

**DISTRIBUTION OF HARD COPY LEARNING MATERIALS**

Dear Parents and Carers,

In the background the College has been preparing learning resources to support the continuation of learning for students who are being kept at home at this stage. I thank parents and carers for their patience.

**When:** Friday 27<sup>th</sup> March 2020

**Time:** 9am – 12pm **ONLY**

**Method:** Drive Through & Pick Up

**Year Levels:** Prep – Year 10 (Year 11 & 12 Please see Update #5)

**Procedure:**

1. Parents, carers, family members or community members please drive to KDSC on Friday the 27<sup>th</sup> of March between the hours of 9:00am – 12:00pm.
2. Enter the carpark via the swimming pool entrance and follow the signs to the drop off zone. Staff will be waiting to assist you.
3. You will be asked for the student's name and year level.
4. You will be handed an education pack that contains a **fortnight's** worth of work for English, Mathematics, Science and Humanities.
5. **Please remain in your car.**

**Please note:**

1. **If your child is at school on Friday they will be provided the education packs directly. There will be no need to go through the drive through.**
2. This work is for the week before the school holidays and a week after the school holidays.
3. If you keep your child at home longer than this period or schools are closed you will need to make arrangements to move your child's learning to an online platform (**Please see Update #5**) as we may not have the capability to copy fortnight 2 resources.
4. If the situation continues for an extended length of time staff will be in contact via email addresses that you have provided to us. You will be encouraged to check your emails daily for communication after the school holidays.
5. **Please read update #5 now.**

Kind regards

Steven Moore
