Application to enrol in a Queensland state school

This sheet contains information on how to complete the Application for student enrolment form (SEF-1 Version 8).

Entitlement to enrolment

Under the *Education (General Provisions) Act 2006 (Qld)* a state school must enrol a prospective student if they are entitled to enrolment. While not exhaustive, the following matters may affect a prospective student's entitlement to enrol in a state school:

- if the school has a School Enrolment Management Plan or an Enrolment Eligibility Plan (enrolment is subject to eligibility under the plan)
- the applicant is a prospective mature age student (the applicant can only apply for enrolment at a mature age state school and will be subject to a satisfactory criminal history check, or as a student in a program of distance education. All prospective mature age students must have a remaining allocation of state education.)
- the prospective student is not of correct age for enrolment (relates to Preparatory Year and Years 1 to 6)
- the prospective student has been excluded, or is subject to suspension from a state school at the time of the application
- the school principal reasonably believes that the prospective student presents an unacceptable risk to the safety or wellbeing of members of the school community (application is referred to the Director-General)
- the school is a state special school and the prospective student does not meet the criteria for enrolment in a special school
- the proposed enrolment requires approval as part of a flexible arrangement under s.183 of the *Education (General Provisions) Act 2006 (Qld)*, and the arrangement has not yet been approved
- the prospective student is not an Australian resident or citizen or the child of an Australian permanent resident or citizen (visa restrictions may apply, fees may be charged, in some cases legislation requires that the prospective student must obtain approval from the Chief Executive via Education Queensland International (EQI) to enrol)
- the school does not offer the year level that the prospective student should be enrolled in
- the prospective student has no remaining semester allocation of state education. Enrolment cannot proceed until additional semesters are applied for by the prospective student (or parent on their behalf) and granted.

Prospective student

A prospective student is a person who has applied to enrol at a state school but who has not yet been accepted for enrolment.

Parent's occupation and education

All parents across Australia, no matter which school their child attends, are asked to provide information about family background (answering this question is optional). The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

Court Orders

Any court orders concerning the prospective student's welfare, safety or parenting arrangements should be provided to the school, and the school should also be provided with any new or updated orders.

Name on enrolment form

A prospective student should be enrolled under their legal name as per their birth certificate. There is provision to also record a preferred family and/or given name. The preferred name will be used on internal school documents such as class rolls. The legal name will appear on semester reports unless there is a specific request to use the preferred name only. This request can come from parents/carers or the student (if the student is independent/mature age).

Gender

Information about gender is supplied to the Federal Government to comply with State funding agreements. The gender category with which a person identifies may not match the sex they were assigned at birth. There is no requirement for a student's gender recorded on this form to align with the sex shown on their birth certificate or passport.

Religious Instruction

Religious instruction is a program approved and provided by a religious denomination or religious society. Other instruction relates to part of a subject area that has been covered within the curriculum and may include, but is not limited to, personal research and/or assignments, revision of class work, and wider reading. Information about religious instruction available at the school, and about other instruction, is provided by the school at the time of enrolment and on the school's website.

PLEASE SUBMIT TO THE ADMINISTRATION OFFICE:

- Application for student enrolment
- Other enrolment documents
- Most recent report card
- Copy of birth certificate and /or supporting documentation showing proof as parent of student
- Documents regarding medical and /or learning/disability support requirements e.g. Individual Education Plan, Emergency Action Plan etc (pg 5)

INSTRUCTIONS

Please refer to the *Application to enrol in a Queensland state school* information sheet at the end of this form when completing this application. Completion and submission of this application form to the school does not confirm enrolment. The school will notify you of the outcome of your application as soon as practicable.

Failure or refusal to complete those sections of the form marked with an (*) or to provide required documentation may result in a refusal to process your application. These questions and your consent are considered necessary to ensure the school can undertake its administrative and care responsibilities.

Sections of the form not marked (*) are optional. However, failure to complete these sections may result in the school not being eligible for important Federal and State Government funding reliant on such information. Parents of all students in Australia have been asked to provide information on their family background as part of a national initiative towards providing an education system that is fair to all students, regardless of their background. The required information includes the Indigenous status and language background of the student, and the education, occupation and language background of the parents.

If you have any questions about the enrolment form or process, or require assistance completing this form, including translation services, please contact the school in the first instance.

Kuranda District State College

Introduction to the Online Services Consent Form for Kuranda District State College

Our school uses tools and resources to support student learning, including third-party (non-departmental) online services hosted and managed outside of the Department of Education (the department) network.

Online services, including websites, web applications, and mobile applications, are delivered over the internet or require internet connectivity. Examples may include interactive learning sites and games, online collaboration and communication tools, web-based publishing and design tools, learning management systems, and file storage and collaboration services.

This letter is to inform you about the third-party online services used in our school and how your child's information, including their personal information and work they create (student works), may be collected, used, disclosed, and published to the services.

Refer to the Obtaining and managing student and individual consent procedure for more information.

Third-party online services

After evaluation, the principal has deemed specific third-party online services appropriate for school use. These online services are listed on the consent form.

Third-party online service providers are external to the school, and the services may be hosted onshore in Australia or offshore outside of Australia. Data (including personal information) that is entered into offshore services may not be subject to Australian privacy laws. When considering whether to provide your consent, we encourage you to read the information provided about each online service, including the *terms of use* and *privacy policy,* which outline how information and student works will be used and under what circumstances they may be shared.

Student information

The consent obtained by the department as collected through the form covers both student personal information (e.g. name, date of birth) and school-based information (e.g., student username, email, year level) as outlined on the form.

Where permitted by the service provider, de-identified information will be used and/or efforts will be made to limit the amount of personal information disclosed to, and stored within online services (e.g., when registering accounts only mandatory information such as student username and student email address will be disclosed).

Student works

Student works might include materials such as student projects, assignments, portfolios, images, video or audio. Where student works will be created within, stored or published to the online service (in some cases, published information or student works will be viewable by the public), this will be indicated in 'additional information' in Section 5 of the Online Services Consent Form.

Parent information

Where your personal information (e.g. parent email, name, contact details) will be disclosed to the online service, this will be indicated in the 'additional information' in Section 5 of the Online Services Consent Form.

Approved Online Services

From 25 October 2026, section 426A *Confidentiality—Approved Online Services* of the *Education (General Provisions) Act 2006* (EGPA) permits a streamlined approach to consent for third-party online services used in Queensland state schools, while continuing to support the safe use of third-party online services. Under this provision, a state school students' personal information may be disclosed to third-party online services approved by the Director-General without requiring parent/carer or independent student consent (Approved Online Service).

For a third-party online service that requires the disclosure of sensitive information, valid parent/carer or individual student consent for that third-party online service is still required. Sensitive information includes, for example, racial or ethnic origin, religious beliefs, health and biometric information.

Parents and independent students have the right to opt out of using an Approved Online Service at any time by notifying the school in writing (by email or letter).

When considering whether to opt out of using an Approved Online Service we encourage you to read the information provided about each Approved Online Service, including the *terms of use* and *privacy policy,* which outline how information and student works will be used and under what circumstances they may be shared.

Information about the Approved Online Services used by our school including the purpose of use of each Approved Online Service, is provided in Section 6 of the Online Services Consent Form. A full list of Approved Online Services available for use within Queensland state schools is published on the department's website.

Purpose of consent

Third-party online services are used for various purposes. The purpose of use for each service is outlined in Section 5 of the Online Services Consent Form. For example, teachers may use online services with students to support curriculum

delivery, complete learning activities and assessment, facilitate class collaboration, and create and publish class work (e.g. projects, assignments, portfolios).

The Online Services Consent Form records your consent for your child to register for an account, use, and, where specified, publish their work to third-party online services where personal or sensitive information is used or disclosed, and the service is not listed as an Approved Online Service under s426A of the EGPA. The form also collects your consent for school staff to collect, store, and transfer personal information to online services in order to manage school operations and communicate with parents and students.

The Online Services Consent Form is a record of the consent provided.

Voluntary consent provision

It is not compulsory to provide consent to use third-party online services or to use the Approved Online Services. If your consent is not given, limited, withdrawn or you have opted out of using an Approved Online Service, this will not adversely affect any learning opportunities provided by the school to your child.

Limiting or withdrawing consent and opting out

You may limit your consent by providing consent for some, but not all, third-party online services listed on the form.

Requests to limit consent in relation to how the 'Information covered by this consent form' and the 'Approved purpose' (Section 2 and 3 of the form) are applied to a specific third-party online service, will be treated as "do not consent", as the school cannot guarantee correct implementation of individual requests.

You may withdraw your consent at any time by notifying the school in writing (by email or letter).

You may opt out of using an Approved Online Service at any time by notifying the school in writing (by email or letter).

The school will confirm the receipt of your request via email or letter. After a notice to withdraw consent to a third-party online service or to opt out of an Approved Online Service, is received, the school will not be able to make any 'new' collection, use, disclosure and publication of the information or student work.

Due to the nature of the internet, it may not be possible for all copies of information (including images and student works that have already been disclosed or published) to be deleted or restricted from use if you request it. The school may remove content that is under its direct control, however, information and student works that have already been disclosed and published cannot be deleted, and the school is under no obligation to communicate changes to your child's consent circumstances to online service providers.

You may not limit, withdraw or opt out of using Departmental Core Digital Systems. These services provide core schooling and business functions that are necessary to deliver education services and to meet our legal and administrative obligations. These services are owned, managed or contracted by the department and comply with strict privacy and security standards.

A full list of Departmental Core Digital Systems is published on the department's website.

Duration of consent

The consent applies for the period of time specified on the form. You may review and update your consent at any time by notifying the school in writing (by email or letter) in accordance with the Obtaining and managing student and individual consent procedure.

There may be circumstances where the school issues a new consent form to seek additional consent e.g. in the event that new third-party online services are identified for use.

Introduction to the State School Consent Form (below) for Kuranda District State College

This letter is to inform you about how we will use your child's personal information and student materials. It outlines:

- what information we record
- how we will use student materials created during your child's enrolment.

Examples of personal information which may be used and disclosed (subject to consent) include part of a person's name, image/photograph, voice/video recording or year level.

Your child's student materials:

- are created by your child whether as an individual or part of a team
- may identify each person who contributed to the creation
- may represent Indigenous knowledge of culture

Purpose of the consent

It is the school's usual practice to take photographs or record images of students and occasionally to publish limited personal information and student materials for the purpose of celebrating student achievement and promoting the school and more broadly celebrating Queensland education.

To achieve this, the school may use newsletters, its website, traditional media, social media or other new media as listed in the 'Media Sources' section below.

The State School Consent Form may, at your discretion, provide consent for personal information and a licence for the student materials to be published online or in other public forums. It also allows your child's personal information and student materials to be presented in part or alongside other students' achievements.

The school needs to receive consent in writing before it uses or discloses your child's personal information or student materials in a public forum. The attached form is a record of the consent provided.

It should be noted that in some instances the school may be required by the *Education (General Provisions) Act 2006* (Qld) or by law to record, use or disclose the student's personal information or materials without consent (e.g. assessment of student materials does not require further consent.

Voluntary

There will not be any negative repercussions for not completing the State School Consent Form or for giving limited consent. All students will continue to receive their education regardless of whether consent is given or not.

Consent may be limited or withdrawn

Consent may be limited or withdrawn at any time by you.

If you wish to limit or withdraw consent please notify the school in writing (by email or letter). The school will confirm the receipt of your request via email if you provide an email address.

If in doubt, the school may treat a notice to limit consent as a comprehensive withdrawal of consent until the limit is clarified to the school's satisfaction.

Due to the nature of the internet and social media (which distributes and copies information), it may not be possible for all copies of information (including images of student materials) once published by consent, to be deleted or restricted from use.

The school may take down content that is under its direct control, however, published information and materials cannot be deleted and the school is under no obligation to communicate changes to consent with other entities/ third parties.

Student Resource Scheme - Participation Agreement Form

The Student Resource Scheme

The Student Resource Scheme (SRS) is a user-charging scheme operated by schools to provide parents with a mechanism to access individual student resources that are not funded by the government.

Government funding for schools does not extend to individual student resources and equipment for their personal use or consumption. Supply of these items, such as textbooks and personal laptops/iPads, is the responsibility of the parent.

The objective of the scheme is to provide parents a convenient and cost-effective alternative to individual supply of resources for their students. Participation in the SRS is optional, and no obligation is placed on a parent to participate.

Terms and conditions for participating in the scheme are provided on the reverse side of the form. Information is also provided on the Textbook and Resource Allowance (TRA) where applicable.

This Participation Agreement Form applies for the duration of a student's enrolment at the school, however parents who are participating in the scheme can choose to opt out from the SRS in future years by completing a new Participation Agreement Form. Any new Participation Agreement Form submitted annually and received by the school will supersede the previous form lodged.

Parents pay the annual participation fee in accordance with the selected payment arrangement. If a student joins the school mid-year, a pro-rata participation fee may apply.

Parents not participating in the scheme must provide their student with all items that would otherwise be provided by the scheme as detailed in the information provided by the school. Parents can choose to join the SRS in future years by completing a new Participation Agreement Form.

To assist schools in managing and administering the scheme, parents are requested to complete the Participation section of this form and return it to the school.

If parents have not completed and returned the form before the due date indicated by the school in the SRS Annual Parent Information documents, the school will take the view that the parent does not wish to participate.

For further information please see the 'parents and carers' site for general information School fees and charges.

Payment

On agreeing to participate in the SRS, a parent agrees to pay the participation fee as advised and invoiced by the school. For families experiencing financial hardship, please contact the school as soon as possible to discuss options available.

Queensland Government

Terms and Conditions

Definition

1. Reference to a "parent" is in accordance with the definition in the *Education (General Provisions) Act 2006* and refers equally to an independent student.

Purpose of the SRS

2. In accordance with the Act, the cost of providing instruction, administration and facilities for the education of students enrolled at state schools who are Australian citizens or permanent residents, or children of Australian citizens or permanent residents, is met by the State.
3. Parents are directly responsible for providing textbooks and other personal resources for their children while attending school.
4. The SRS enables a parent to enter into an agreement with the school to provide the resources required for their child to engage with the curriculum for a specified annual participation fee.

Participation in the SRS

5. Participation in the SRS is optional, and parents are under no obligation to participate.
6. The school will provide parents with a list of resources supplied by the SRS to enable parents to assess the cost effectiveness of participation.
7. Parents indicate whether they wish to participate in the SRS by completing this Participation Agreement Form.
8. Parents must complete and sign the Participation Agreement Form and return it to the school by the advertised date.
9. This agreement is for the duration of the student's enrolment at the school, unless a new Participation Agreement Form is completed.
10. Parents are given the option annually to choose whether to participate in the SRS or not by completing this form.
11. Where a parent signs up to participate in the SRS they are agreeing to pay the annual participation fee for the items provided by the SRS.
12. Payment of the participation fee implies acceptance of the SRS including the Terms and Conditions irrespective of whether the signed form has been returned.
13. Where a student starts at the school during the school year, the parent may be entitled to pay a pro-rata participation fee to participate based on a 40-week school year.
14. Where a participation fee has been paid and a student leaves the school during the year, the school must determine if the parent is eligible for a pro-rata refund. This will also consider any pro-rata of the Textbook and Resource Allowance (TRA) (see Additional Information regarding TRA eligibility) and any outstanding SRS debts (including any debts from damaged or non-returned items). Were the cost of outstanding debts is higher than the calculated refund, the parent is liable to pay this balance of funds.

Non-Participation in the SRS

15. Parents who choose not to participate in the SRS are responsible for providing their student with all items that would otherwise be provided by the SRS to enable their student to engage with the curriculum.
16. The school will provide non-participating parents with a list of resources the parents are required to supply for their child.
17. All items included in the SRS must be able to be independently sourced, purchased and supplied by parents who choose not to participate in the SRS.
18. As the SRS operates for the benefit of participating parents and is funded from participation fees, SRS resources will not be issued to students whose parents choose not to participate in the SRS.

The Resources

19. SRS funds received by the school will only be expended on student resources outlined in the school's SRS and will not be expended on other items or used to raise funds for other purposes.
20. In return for payment of the participation fee, the SRS will provide the participating student with the entire package of resources for the specified participation fee. It is not available in parts unless specifically provided for by the school in the fee structure.
21. The resources, as determined and advised by the school may be:
    - retained by the student and used at their discretion; or
    - used/consumed by the student in the classroom; or
    of time.
22. All SRS resources hired to a student for their temporary use remain the property of the school. The resources must be returned by the agreed date or if the student leaves the school.
23. Parents are responsible for ensuring that any hired SRS resources provided for their child's temporary use are kept in good condition.
24. The school administration office must be notified immediately of the loss or damage to any hired item.
25. Where a hired item is lost, not returned, or damaged, parents will be responsible for payment to the school of the value of the item or its repair.
26. The replacement cost of any resource may be up to the maximum value (subject to depreciation where appropriate) of the acquisition cost to the school.
27. Parents may be responsible for supplying their child with other resources not specified in the SRS as advised by the school.

Payment Arrangements

28. Payment of the participation fee may be made in whole, as per a nominated payment plan, or for another amount as approved by a Principal.
29. Payment of the participation fee must be made as per the payment methods nominated by the school.
30. Any concessions relating to the participation fee will be at the discretion of the Principal.

Debt Management

31. Payment of the participation fee is a requirement for continued participation in the SRS.
Non-payment of the participation fee by designated payment date(s) may result in debt recovery action in accordance with the Procedure

Department's Debt Management

https://ppr.qed.qld.gov.au/pp/debt-management-procedure

Parents' Experiencing Financial Hardship

32. Parents experiencing financial hardship who are currently participating in or wish to participate in the SRS should contact the school to discuss options.
33. Principals may vary payment options, negotiate alternative arrangements and/or waive all or part of the participation fee for parents experiencing financial hardship.
34. The onus of proof of financial hardship is on the parent.
35. The school may require annual proof of continuing financial hardship.
36. All discussions will be held in the strictest confidence.

Acknowledgement of Country

We respectfully acknowledge the Traditional Custodians of the land on which Kuranda District State College stands. We pay our respects to Elders past, present, and emerging, and extend that respect to all Aboriginal and Torres Strait Islander peoples in our community.

Dear Parents, Carers, and Families,

Welcome to Kuranda District State College and to our Parents & Citizens' Association (P&C). We're delighted your family is returning or joining our school community.

The P&C is a group of parents, carers, staff, and community members who work together to create more opportunities for our kids. Everything we do is aimed at making school life better, brighter, and more supported.

Here's what that looks like in action:

• Uniform Shop – **run by volunteers**, saving families time and money, and ensuring all students can feel confident and ready for learning.

• Lockers for Years 7–12 – giving older students a safe space for their books and gear, funded entirely by the P&C.

• Outside School Hours Care (OSHC) – flexible care for busy families, so parents can work knowing their children are safe and engaged.

• Market Stall at Kuranda Amphitheatre – a fun community connection that raises vital funds for programs and equipment.

Why it matters:

• Funds raised by the P&C have helped provide extra resources, shade, and equipment that the school budget alone could not cover.

• Services like OSHC and the Uniform Shop are run by parents, for parents — making school life easier for everyone.

• Our collective voice helps shape a positive, supportive culture at the school.

How you can help:

We know life is busy. That's why any contribution — big or small — makes a real difference. Even one hour at a stall, one morning in the uniform shop, or one meeting a term helps us keep these programs running and ensure the best for our kids.

Together, small efforts add up to big impact.

Stay Connected with Your P&C

We get together six times a year to share ideas, plan projects, and keep things moving. Meetings are:

• Term 1 & Term 3: Mondays, Week 3 and Week 8, at 4:30 pm

• Term 2 & Term 4: Mondays, Week 5, at 4:30 pm

Venue: Senior School Common Room

Children are welcome — just bring something to keep them occupied if needed.

Can't make it? No problem! You can still be involved by requesting meeting minutes or joining our mailing list at **kuranda.pnc.kdsc@gmail.com.**

Updates are also shared through the school newsletter, on Facebook, and you can always drop by our stall at the Kuranda Community markets for a chat.

Warm regards,
